

Free Coronavirus Maritime Awareness Training

NOVA Southeastern University's Institute for Disaster and Emergency Preparedness in Association with Resolve Marine and Seamist are hosting a **FREE 4-Hour COVID19 Awareness Training** program. *(Class is in English).*

Certificate Awarded Upon Completion of Course

As Charters and Sailings return to service, provide the added comfort of enhanced safety protocols by displaying your COVID19 Awareness Certification. This virtual 4-Hour Course is designed for Captain, Crew, & Personnel anyone working in the Maritime Industry. Led by a live instructor, you will learn:

- *COVID-19 Basics*
- *Assessing the potential for exposure to COVID-19 in the workplace*
- *COVID-19 prevention methods in the workplace*
- *Protecting the worker in the workplace*

****Must have access to a webcam and microphone in order to participate****

Funding for this training has been provided by The National Institute of Environmental Health Sciences (NIEHS) of the National Institutes of Health (NIH)
